I hereby certify that this correspondence is being deposited with the U.S. Postal Service as First Class Mail in an envelope addressed to: MS DD, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on the date indicated below:

Dear Commissioner:

The Office Action dated March 18, 2004 indicates that the copies of some of the references cited in Applicant's first Information Disclosure Statement ("IDS") mailed on February 19, 2002. Applicant understands from the Office Action the citations to references A1-A137 are being held to be compliant with rule 37 CFR 1.98(a)(2) and hence copies of these references will not be submitted. Applicants note that the Form PTO-1449 has been also initialed for foreign references B1-B36 and therefore presumably the citation to these references has also been found

to be acceptable. However, the Office Action does not clearly say that in connection with paragraph 3. It seems likely that parts of paragraph 4 are also meant to apply to paragraph 3 and the February 19, 2002 IDS but Applicant is not positive. Accordingly, this re-submission of the first IDS either supplies or identifies the location at the PTO of requested copies of foreign references B1-B36 and other references C1-C60 of the IDS dated February 19, 2002. Rather than submitting copies of all these references, Applicant points out that most of these references and their translations or abstracts may be found in the Cummins-Allison Library located at the Patent and Trademark Office at PK5-5T11.

More specifically, all the foreign references B1-B36 are located in the Cummins-Allison Library except for references B7, B8, and B36, copies of which accompany this re-submission. The tabbed locations of the references contained in the Cummins-Allison Library are indicated on the attached modified Form 1449.

As for the "other" references C1-C60, all of these references are located in the Cummins-Allison Library except for references C2 and C10. A copy of reference C2 is enclosed. The tabbed locations of the references contained in the Cummins-Allison Library are indicated on the attached modified Form 1449. It is also pointed out that references C45-C48 appear to be repeats of earlier cited references as indicated on the attached modified Form 1449.

Accordingly, attached please find:

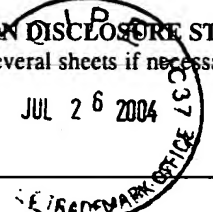

- (1) A copy of the first IDS mailed on February 19, 2002.
- (2) A modified copy of the Form 1449 which accompanied the IDS mailed on February 19, 2002 indicating the location of various references in the Cummins-Allison Library .
- (3) A copy of the following references B7, B8, B36, and C2.

No fees are believed due. However, if any fees are due in connection with this application (except the issue fee), the Commissioner is authorized to charge any additional fees (except the issue fee) which may be required, or credit any overpayment, to Deposit Account No. 10-0447, Order No. 47171-00300USC2.

Respectfully submitted,
